LIST OF CON'

JNIVERSITY OF RAJPUTANA

NNUAL REPORT FOR THE YEAR 1950-51

CHANCELLOR'S OBSERVATIONS

1 Members of the Senate will recall that a good t my last annual report was devoted to an analysis of *nendment of the University Act, that was published* Rajasthan Gazette (Extraordinary) of the 30th Septem 50 By stressing the main features of the amending re as also those of the original legislation, I tried to out the significance of the changes effected to meet eds of the University, some revealed by experience *thers consequent upon integration And the exposition* oncluded with a paragraph which perhaps bears tion

> "In an objective analysis of the present Amendment, as attempted here, it is necessary to point out to the Government that some of the vital suggestions of the University have not been incor porated into this piece of legislation Further, in my personal opinion, since the Board of High School Education is to have the same impor tance in respect of school questions as the Acade mic Council for collegiate problems, representa tion to the extent of at least one seat on the Syndicate should be accorded to Heads of insti tutions having High School classes, from among st the members of the Board Be that as it may, we are now charged with the duty "to see that this Act, the Statutes and the Ordinances are faithfully observed"— and necessary powers will

be available to overcome difficulties that may present themselves. There is also the consideration—even a cursory glance at Hansard confirms it—that legislation is a continuous process. There can be no last word in respect of an Act dealing with the needs of a nascent institution."

2 Nevertheless, it is not usual to expect nor thought even desirable that various amendments to an Act should follow in close succession. During the year under report, however, there was a change in the Ministry. The new Government appointed a Committee of some senior Principals of Government Colleges to make suggestions to improve the Act by removing its defects. The labours of the Committee were concluded and its report was duly forwarded by Government to the University for the expression of its views. The Syndicate appointed a Committee consisting of members of the four basic authorities of the University viz., Senate, Syndicate, Academic Council and the Board of High School Education. Its report on the suggestions of the Government Committee has enabled the Syndicate to formulate proposals for the consideration of the Senate. The Senate's views will be sent to the Government and it will be urged, as last time, that in the absence of a legislature, the views of the University should be accorded the same weight as is given to the recommendations of the Select Committee.

3 As will be gathered from the detailed report of the Registrar,—

(a) *the Library and the three teaching Departments* of the University have grown in stature;
(b) the affiliated Colleges and recognised High Schools have grown in number;
(c) that the obvious gaps in the structure of higher education in Rajasthan are being closed by the

steps for adding—

(i) a Civil Engineering College at Jodhpur,

(ii) M Sc classes in Geology at Udaipur, and

(iii) LL M classes in Jaipur

4 A careful scrutiny of the budgets for the last four years will reveal that the financial position of the University is getting tight This is of course to be expected as the three Teaching Departments are now getting into their full stride The warning that was given by His Excellency H P Mody in his recent Convocation Address to the Poona University is worth notice Universities should not commit the mistake of multiplying their teaching departments at the risk of losing financial stability Caution and consolidation must be our watchwards till at any rate the Government is in a position to raise the annual grant to the normal level

5 The first batch of our medical students will appear for the final M B B S next April (1952) We hope to secure the recognition of the Medical Council of India by the time the results are out Recognition of Commerce examinations is yet a matter of discussion with Universities like Bombay But in all the other faculties the examinations and degrees of this University have been recognised by the sister Universities here and several Universities abroad

FACULTY OF SCIENCE

With the promulgation of the Second Amendment to to the University of Rajputana Act, it became essential that the various authorities of the University be reconstituted before their meetings are held Accordingly, no meeting of the Faculty of Science was held during the Calender year 1950 The annual meeting of the Faculty for the academic year 1950-51 was held on Thursday, the Ist February, 1951 The Vice-Chancellor had, as per the provisions of the Second Amendment of the Act, nominated Shri M L. Schroff, Principal, Birla College, Pilani, as the Dean of the Faculty and accordingly, he occupied the chair Before proceeding with the routine business, the Faculty recorded the appreciation of the valuable services rendered by Rao Bahadur K L Verma, the outgoing Dean, to the University

The Faculty coopted five persons to serve as its members, two being teachers in the affiliated colleges within the Faculty and three being from outside the jurisdiction of the University The various Boards of outside, previously known as the Committee of Studies, were also reconstituted as per the new amendment of the Act

The Faculty took the following decisions —

1 It resolved not to introduce the option of thesis instead of the special paper and its practical at the M Sc stage

2 It amended the scheme of examination in Chemistry for the final M Sc examination by regrouping the subject matter of the various papers, introducing special paper for each branch of Chemistry and drawing up its detailed syllabus Among the special papers introduced are

the following —*Analytical Chemistry (for all branches of* Chemistry), Biochemistry, Chemistry of Natural and Synthetic Drugs and Antibiotics, Advanced Colloids

3 A new paper 'Real Variables' was added as an alternative paper to the M Sc scheme in Mathematics

4 The maximum number of marks for all subjects (including Mathematics) for the Intermediate examination in Science was recommended as 150, 100 for theory and 50 for the practical in subjects where there was a practical examination

5 The Faculty reiterated its previous decision to have only two papers in English, one on English Prose and the other on English Translation and Composition

6 The candidates who pass the Intermediate Examination in Agriculture were not permitted to join B Sc class of an affiliated college

7 The Faculty decided to recommend to the Academic Council to abolish the compulsory paper in Hindi for such persons as had passed their High school examination in Hindi

The teaching of Geology classes has been completely transferred to Udaipur and a number of candidates for the research degree in Geology has also been registered Birla College, Pilani, has been granted permanent affiliation in Physical Chemistry for the M Sc final examination in Chemistry Classes in Botany and Zoology for the B Sc Examination have also been started at the Maharana Bhupal College Udaipur

The total number of colleges affiliated to the University in Science subjects was 14 (including 8 degree and 6 Intermediate colleges out of which 4 teach upto post-graduate standard).

M.L. SCHROFF
Dean, Faculty of Science

FACULTY OF COMMERCE

Higher Education in Commerce is steadily growing in Rajasthan. The number of candidates appearing for I.Com.,B.Com.,and M.Com. Examinations of the University have increased considerably. Statistics of various colleges show that commerce is becoming increasingly popular with the students.

There has been no increase in the number of colleges teaching for M Com. and B. Com. But several Intermediate colleges have started I Com classes during the year under consideration.

The Faculty of Commerce as reconstituted under the new Act held its meeting in 1951. The Faculty at its meeting considered the proposed scheme of revising the syllabus for B Com. and M.Com. The Faculty made certain minor changes in the syllabus of B.Com , but the Faculty could not come to a decision regarding the changes in M Com. syllabus which had to be postponed. It is being increasingly felt that M.Com. syllabus should be changed but so far nothing could be done due to certain unavoidable reasons.

Candidates for the Intermediate in Commerce Examination have been allowed to answer the examination papers in Hindi in all subjects except Mathematics, and candidates for the B.Com. Examination have also been allowed the option of writing their answers in Hindi except in Commercial Law, Statistics and Mathematics. Quite a large number of candidates appearing at I.Com. Examination have taken advantage of this facility. There is a lack of suitable books in Hindi on Commercial subjects for B Com and this is why candidates appearing for B.Com. so far have not taken advantage of this facility.

At the Faculty meeting it was resolved to hold Type-writing and Short hand Examination in I.Com. Exa mination before the classes in college disperse preparatory the holding of theoritical examinations.

S S. SAXENA
Dean, Faculty of Commerce

FACULTY OF LAW

During the year under report, the amended Act of the University came into force and the Faculty of Law was constituted under the provisions of the Amended Act The first meeting of this newly constituted Faculty of Law was held on the 12th February, 1951 The meeting was attended by four ex officio members being Heads of the Departments of Law of the Law College, Jaipur, the Jaswant College, Jodhpur, the Dungar College, Bikaner and the Maharana Bhupal College, Udaipur Eight resolutions were passed at this meeting, three of which related to the constitution of the Faculty and the Board of Studies by co optation and election of the external members under the provisions of S 24 A (3) V, S 24 A (3) VI and S 24 D (b) of the University Act

The meeting passed a resolution expressing its pleasure and satisfaction on the appointment of Rai Bahadur K S Hajela, as the Dean of the Faculty of Law under the provisions of the new University Act

The Faculty was of the opinion that the candidates who pass their B A Examination in English only should not be admitted to LL B course in this University

The meeting also endorsed whole heartedly the suggestion made by the Inter University Board to the effect

"That there should be an association of the different Law Faculties of the Universities in this country on the lines of the Association of American Law School, with a standing committee of such an association of Law Faculties, meeting annually or Half yearly, for consideration of questions of courses standards and also for the purpose of translating, editing publishing suitable works and books in Law and for organising advancing and co ordinating legal research in the country

The meeting of the newly constituted Board of Studies in Law were held on the 9th March 1951 and the 29th July 1951. Since the Dean of the Faculty was of the opinion that the Convenership of the Board may appropriately be held by any other member of the Board, besides the Dean in his ex-officio capacity, Shri S. C. Thanvi, Head of the Department of Law, Jaswant College, Jodhpur, was elected Convener of the Board of Studies, in its first meeting held on the 9th March 1951.

The third batch of the LL B. Final students appeared at the LL. B. Degree Examination held in April, 1951., and out of 303 candidates who appeared at the examination 229 were declared successful

The proposal for starting the LL.M. (Master of Laws) classes was under the consideration of the Government of Rajasthan for the last few months & as I am writing this report I am happy to record that the Govt. have been pleased to order that the LL. M. classes, be started at the Law College, Jaipur, immediately. As the demand for the institution of LL. M. studies is so pressing and persistent, it is hoped that the University will accord recognition in due course to the starting of LL. M. classes at the Law College, Jaipur on their complying with such conditions as may be laid down by the University. This will go a long way to propagate advanced studies in Law under this University.

During the year under report the Syndicate of the University appointed a Sub-Committee to draw up a scheme for taking up the teaching of Law at Jaipur by forming a University Department of Law. The Committee drew up the scheme but further progress in the matter could not be made as the Government of Rajasthan would

not agree to transfer the teaching of Law at Jaipur to the University unless the University agreed to take charge of the legal education at other centres in Rajasthan also.

SECTION II

REGISTRAR'S REPORT

1 INTRODUCTORY & GENERAL

The year under review, July 1, 1950, to June 30, 1951 was the fourth academic year of the working of the University of Rajputana While detailed information with regard to the progress of the University under various heads follows in this section, the overall picture of the progress of the University with regard to the number of affiliated and recognised institutions and the total number of examinees is as follows —

Affiliated Colleges	24	(in the year 1947)	40 (in the year 1951)
Recognised High Schools	107	(„)	209 („)
Total No of candidates appearing at the College Examinations	3298	(in the year 1948)	6504 („)
Total No of candidates appearing at the High School Examination	4313	(in the year 1948)	6693 („)

The Vice-Chancellor in his observations on the Annual Report of the University for the year 1949-50 had referred to the main features of the amendments to the University Act, published in the Rajasthan Gazettee (Extraordinary) of the 30th September 1950 as Second Amendment Act of 1950 The amended provisions of the Act were brought into force generally with effect from this date, but the various bodies of the University were re-constituted for the next term from January 1951

His Highness the Rajpramukh assumed charge as Chancellor of the University in place of His Highness the Maharana of Udaipur, who as Maharajpramukh is now under the revised Act the Patron of the University The President of Indian Union is the Visitor of the University

Under Section 12 of the Act, His Highness the Chancellor re-appointed Dr G S Mahajani M A, Ph D (Cantab), whose term of office terminated on October 31 1950, as the Vice-Chancellor of the University for the second term of three years

During the course of the year under review preliminary steps were taken with a view to —

(i) Opening a Civil Engineering College at Jodhpur,

(ii) Adding M Sc classes in Geology at Udaipur,

(iii) Starting LL M classes at Jaipur

A seperate Faculty for Education has been constituted, which had hitherto been tagged with the Faculty of Arts with Dr K L Shrimali as Dean of the Faculty of Education

Ordinances have been framed so as to enable exter nal students i e those who are gainfully employed and cannot for valid reasons join college as regular students to appear at the University examinations Only those studying in the evening classes of affiliated degree colleges have been regarded as external students and for the present the facility has been extended and those seeking to appear at the B A and B Com Examinations only Such students studying in the evening classes will be awarded the usual degree as given to the internal students with the entry in their diploma "passed as an external student

Besides the merit scholarships, already provided for under the Ordinance of the University, the following further merit scholarships were instituted —

Mr Omkar Singh, 1st Class M Sc of Benares Hindu University

PROBLEMS GIVEN —Mr K Murty —The Geology and Tectonics of the Aravalli hills round Eklingji

Mr M W Chaudhari —The study of Mica Pegmatites of Mewar

Mr Omkar Singh —The study of Vindhyan and Aravalli formations round Chittorgarh

A few excursions were arranged to the neighbouring areas in the study of the Aravalli Rock formations

STAFF IN THE DEPARTMENT —

Dr K P Rode is the only member of teaching staff Besides him the department has one typist clerk and one peon One Laboratory Assistant is being appointed in October, 1951

REQUIREMENTS —During this Academic session the College has started B Sc courses in Botany and Zoology and our department is required to be shifted to a smaller anexy in the college quadrangle The space is very insufficient even for its existing requirements and urgency for an independent wing for the geology department can not be too strongly emphasised Without a permanent habitation the growth of the department would be incomplete and hapazard

B.A. Examination.	24	1	12	8	1	92%	Nil.

Note —The student who secured a I class at the B A Examination stood first amongst girl candidates and second in order of merit, and the student who secured a I class at the Intermediate Examination stood III in order of merit respectively in the Rajputana University Examinations held in March/April, 1951

6. FINANCE —The college is financed by the Rajasthan Government and the total amount sanctioned in the budget for 1950 51 was Rs 41,145/- Luckily for the college, the recurring grant for the library was raised to Rs. 1,500/ instead of the previous, meagre Rs. 300/-, and also a non-recurring amount of Rs 3,000/- was given for the purpose, in the year under report

In addition to this a sum of Rs. 2,000/ was sanctioned for the hostel furniture and Rs 4,611/- was given for the repairs of the college buses

7. BUILDING —A few minor changes were made in the southern wing and the top storey of the building to meet the needs of the newly started hostel housed in the college building.

8 LIBRARY & READING ROOM —The college library is in charge of a whole time librarian in the grade of Rs 80/5/125, as before.

The number of new books purchased for the library during the year, in question was 600, raising the total number of books to 2,525. Books were issued to the students against entry on their library cards. The library has been shifted to the college hall in view of the rooms previously occupied being needed for the hostel The hall is now also being used as the reading room The change has proved very useful as it has added grandeur to the library, provided comfort to the students and a quiet corner for study for the members of the staff.

The reading room is provided with all important daily papers, weeklies, Indian and foreign monthly magazines and reviews on subjects of general & literary interest numbering about forty Both the students and the members of the staff make good use of library and the reading room.

9. GAMES, SPORTS & MEDICAL EXAMINATION OF STUDENTS — Arrangement exists for the following games:

1 Basket Ball.

2. Badminton.

3 Tennikoit

4 Ping Pong and other indoor games

Unfortunately, however, nothing much could be done by way of special attention towards games and sports, as the problem of playgrounds could only be partially solved.

The medical examination of students is arranged by the lady doctor of the college

10. SCHOLARSHIPS, STIPENDS & CONCESSIONS IN FEES —Scholarships given to the Junior Intermediate and Degree classes students last year (1949 50) continued this year as well, while the new proposals submitted to the Government are still under consideration

11 EXTRA CURRICULAR ACTIVITIES —The members of the staff as well as the students have been taking their full share in the activities of the college The Student's Union has become a live force and we are glad that we gave them independence and freedom of organisation. The staff's willing guidance, support and co-ordination with the Union makes it a very useful body

Various functions, debates, lectures and variety entertainment programmes have been organised under its auspices by the college, which helps to foster in the students a spirit of friendliness, service, organisation and a sense of responsibility, besides, of course, providing scope for the full expression of the creative energy of the young developing minds in healthy channels.

The practice of growing vegetables on the grounds in the college premises in accordance with the Government's Grow More Food Campaign is being continued as usual

12. HOSTEL.—The hostel which was started in August 1949 in the southern wing of the college building has been running well and gaining in strength. There were 25 inmates in the year under report

13. DISCIPLINE —Special care is taken by the principal, as well as by the members of the staff of the college to foster & develop good behaviour and discipline amongst the students. There is excellent

co ordination, respect and mutual friendliness between the students and the members of the staff.

14 GENERAL.—The general tone of the college is very satisfactory and holds great promise for the future of this young growing institution

Games were played regularly by all the students [except of course the students of LL.B classes]

National Cadet Crops —Of the total strength of 315 of the 3rd Rajasthan Batalion N C.C. 236 Cadets belonged to this college who received training under the command of Captain Guman Singh during the year under report.

Rajputana University Zonal Tournaments —The Rajputana University Zonal Tournaments 1950 (Jodhpur, Bikaner and Udaipur Division) were inaugurated on the 3rd November, 1950 by His Highness the Maharaja Sahib of Jodhpur. It was a grand affair befitting the great occasion. In the evening His Highness gave an 'At Home' to the Competitors and Teachers of the competing Colleges at Umaid Bhawan.

The Central Tournament was held at Alwar this year. The Jaswant College was the Winner in Football. Our goalie Amrit Raj played the most spectacular game and was easily awarded the University star. It was simply due to ill-luck than to any serious defect in our team that we lost the game in Basket-ball. Our team was easily the best in Sports this year as usual. But owing to the illness of our Captain the team was considerably weakened and we lost the Trophy to Maharaja's College, Jaipur by one point only. Naresh Singh, our

champion put up the most brilliant performance and beat the Rajputana *Olympic* Champion *Karan* Singh of *Maharaja s College*, Jaipur in one of the most gruelling contests ever seen at these Tournaments He was rightly awarded the Cox [Jodhpur] Gold Medal for individual Championship and the Rajputana University Badge and Star in Sports

A RATHORE
PRINCIPAL

SHRI RAJENDRA INTERMEDIATE COLLEGE, JHALAWAR

In July last the college entered the sixth year of its life and is thus an infant still requiring tender and careful nursing by the Department of Education The year under report was marked by a few events. The first is expansion of the Physics and Chemistry Laboratories. The second is addition of two graduates to the teaching staff which removes one very undesirable feature from the college— that of having part time teachers on petty allowances for Commerce and Anatomy & Physiology. A third feature as important as any is considerable rise in the number of scholars in class IX and Inter. Arts Though class VIII with its 59 students was shifted to the local Malsadar Middle School in July, 1950 the number of students rose from 221 to 267.

1. MANAGEMENT AND CONTROL —It is a Government maintained institution, managed and controlled by the Director of Education, Rajasthan

2 ENROLMENT —The enrolment of students class wise during 1950 51 was as follows —

Classes.	No of students Males
XII Arts	5
XII Science	8
XI Arts	18
XI Science	9
X	71
IX	156
Total	267

3. COURSES OF STUDIES —On the Inter Arts side the college provides instruction in English Hindi, History, Civics Economics and Mathematics and all possible combinations are allowed, while on the Science side the college has classes only in English, Physics, Chemistry & Mathematics Students are allowed to take Geography in place of Mathematics which is almost an unpopular subject here

4 STAFF—The staff in the last session consisted of the following persons —

(i) *English*—Messrs. S. D. Jagdhari, L L. Sharma, Badri Singh and O P. Sharma and some other giving some of their time to English

(ii) *Arts*—Messrs R B. Lal, P. N Saxena and M. L Sharma

(iii) *Science*—Messrs. P. N. Langer, P. B Varma, T G. Adalti, . C Jain and V. K. Mathur

(iv) *Commerce*—Shri K. C. Pathak.

(v) *Oriental languages*—Messrs. B L Nigam, M. M. Mathur, G. R. Sharma and A S. Beg.

(vi) *Physical Instruction*—Mr. T. S. Parmar.

One of the teachers was on leave without pay for the whole session and Shri O. P Sharma officiated him for the whole period

During the year under report the college by the particular kindness of the Director of Education was able to have two whole-time teachers for Commerce and Anatomy & Physiology in place of part time teachers on allowances.

5 EXAMINATION RESULTS —

Name of Examination	No of candidates appeared	No passed in division				Percentage of passes	Distinction
		I	II	III	Total		
High School	70	1	9	16	26	37 %	One in Maths.
Inter. Arts.	5	—	—	1	1	20 %	
Inter. Science.	8	—	2	2	4	50 %	

6. FINANCES—The institution is State owned and controlled and depends for all its income on the Government of Rajasthan and is accountable to it for its expenditure. In the last year the grants amounted to Rs. 52,905/- and the expenses to Rs. 54,335/-. Part of this expenditure was met from the fund of Rs one lakh which the old Government of Jhalawar had deposited in a local Bank to the credit of the college.

7. BUILDING—This year the laboratories of Physics and Chemistry were expanded according to the requirements of the University, but still the laboratories have got no fittings for water, gas and electricity supplies

The college suffers from awful paucity of accommodation Four full classes are held under the Katla sheds 11' × 20', two in verandah—10 × 24', two in side rooms 10' × 21' and two in rooms 10' × 25. There is one room for all purposes used in common by the principal, office and women students It is also the store room and the lumber room. The members of the teaching staff have got a small turret room for themselves while the students have got no common room for themselves. There is no hall of any size.

8. LIBRARY & READING ROOM —The college has a separate splendid building for the library with a spacious reading room in the centre of the building It is a princely gift to the college by a prince. It has 18806 volumes and last year 123 volumes were added. The number of newspapers and periodicals subscribed for were as follows —

Newspapers.

Daily —1 Statesman 2. Nav Bharat Times 3 Hindustan Times 4 Hindustan

Weekly —1. Shanker's Weekly. 2 Sports & Pastime 3. Manchester Guardian 4. Vir Arjun. 5 Nav Yug. 6 Sanmarg. 7. Statesman and Nation

Periodicals.

Monthly —1. Sahitya Sandesh. 2. Veena. 3. Ajkal. 4. Vishva Darshan. 5. National Geographical Magazine 6. Scientific American. 7. Rajasthan Gazette.

The total amount spent on books, newspapers and periodicals was Rs. 1038/- (Government money Rs. 500/ , students' money Rs. 538/-)

9. GAMES, SPORTS AND MEDICAL EXAMINATION OF STUDENTS — The college instructor in Games and Physical Education resumed his duty in May 1950 after getting himself properly qualified at Y. M. C. A. College, Madras, and was able to organise games and sports He has been able to create an interest in games and organise them to some extent

There is provision for medical examination The D. M. O examined every student twice during the year, pointing out to them their defects and deficiencies and even diseases and prescribing suitable treatment.

10. SCHOLARSHIPS, STIPENDS & CONCESSION IN FEES —There is no regular system of scholarships—Government or private obtaining in the college There are no prizes so far awarded to students Education is free up to High School section. For the Inter. classes tution fee is charged at usual Government rate. There are no restrictions of any kind on admission put by the Government except those imposed by the University

11 EXTRA CURRICULAR & SOCIAL ACTIVITIES — The College Union was rather active during the year. It arranged several debates, a few lectures by the members of the teaching staff and organised processions on the Independence Day and Shri Jawahar Lal's birthday The Games Committee was very busy. It introduced Basket Ball during the year and a few students began to practise

The College Scouts maintained their usual tradition of service to the visitors at Patan fairs—helping the bathers at the sacred ghats, tracing out stolen property and restoring it to its rightful owners, keeping guard at night on the roads leading to the fair. The Scouts started a new service to the public that of taking unclaimed ad bodies from the hospital and cremating them at the cremation ground with expenses subcribed by the public

12 HOSTELS —There is no hostel, though the number of students from the rural areas rose to 100

13 DISCIPLINE —There is nothing to speak of in particular on this point There was a system of class monitors who were expected to keep themselves in touch with their class fellows But most of the teachers who are local people are very vigilant in this respect They voluntarily trace out offenders and bring them to a sense of their duty by moral chastisement rather than fine on their parents A Prefects' Committee was organised during the year to develop among the students a sense of their own responsibility for their discipline All minor and major cases of breach of discipline and quarrels or fights were referred to this Committee for settlement and punishment This Committee behaved satisfactorily. Its advice was always found reasonable and acceptable even in very grave cases.

14 GENERAL —The college remained as before provisionally affiliated to the University for Inter. Examination in Arts and Science and for the High School Examination in Commerce only

6. FINANCES —The Birla Education Trust finances the college and the annual recurring expenditure is met out of the income from tuition fees and the grant made by the Birla Education Trust The total recurring grant in 1950 51 was 2,43,616/8/0 and expenditure 2,47,750/8/- and non recurring grant was 70,000/- and Rs. 20,000/- for Physical Chemistry which has been entirely spent.

7 BUILDINGS (Additions & alterations) —The college has been shifted from July 1950 to the new buildings, which consists of 122 rooms. A new gas house consisting of 3 rooms has been built and the gas plant has been shifted to the new site.

8. LIBRARY & READING ROOM — The Birla Central Library which serves the two collegiate institutions run by the Birla Education Trust—Birla College & Birla College of Engineering, is perhaps the biggest treasure house of books in Rajasthan

It has 35787 volumes in stock, besides about 2000 volumes of reports and pamphletes and 3540 bound periodicals.

In addition to a number of periodicals that it gets regularly from Shri Birlaji, the library subscribes to 147 journals and periodicals as under—

Dailies	6
Weeklies	23
Fortnightlies	3
Monthlies	74
Quarterlies	41

(Scientific and Technical 60)
(Others 87)

These periodicals are kept in a separate room and the students have a free access to these as also to the back volumes, which are bound and classified.

The library affords facilities to research workers, and has a rich collection of out of print reports and periodicals It gives open access to senior students and is divided into seminars for post-graduate subjects.

It opens from 9 A M. to 7 P M. on all days of the week including Sundays and is manned by a competent and sympathetic staff who are always at the service of their clientele.

9. GAMES, SPORTS & MEDICAL EXAMINATION OF STUDENTS — Special emphasis is laid on the physical training of students Attendance at games is compulsory for all students of the college Every undergraduate student is required to take part in the major and minor games like Football, Volleyball, Hockey, Cricket Basket ball, Tennis, Athletics, Kabaddi, Tug of War. A big gymnasium and an excellent swimming pool has been provided for the boys. There are two qualified Physical Instructors in charge of athletics and games. All students of the college are medically examined twice a year by the medical staff with the help of our Physical Instructors The records of such examinations are systematically maintained and proper advice and guidance are given to

students as are found to suffer from remediable physical defects and deformations and their parents are informed about their defect.

(a) *Tours and Competitions* —

1 Competetions —

(i) Independence Day Football Tournament
(ii) Shri Pandeji Hockey Shield Tournament
(iii) Inter Groups Tournament—Basket ball, Volleyball Kabaddi, Tug of War
(iv) Inaugural Athletics Meet
(v) Annual Athletics Meet
(iv) Friendly Cricket Match against outside teams
(vii) Friendly Matches in Hockey, Football and other games held.

Tournaments —The Independence Day Football Tournament was played for the first time between the groups and Shivaji and Pratap Groups met in the final Pratap ultimately came out winners by 2 goals to one The standard of Football in most of the matches was fairly high

Shri Pandeji Shield Hockey Tournament was also played between the groups and Pratap Group scored a dramatic win over a strong Jawahar Team in the final on the 17th of Sept

The inaugural sports were held on the old college grounds on the 10th Sept, In the senior sections Om Parkash Verma and Richpal Singh helped the Pratap Group to sweep everything before them while in the junior section with his individual 16 points put the Shivaji Group at the top.

The Rajputana University Inter College sports were held at Alwar during November last year and our teams had participated in Hockey, Football and Basketball matches We had put in fairly strong teams but the glorious uncertainties of sports so often upset the most studied calculations and though we had hoped to do better specially in Hockey, we went down earlier in the tournament but lost in all cases to the ultimate winners.

In the sports meet again we did not do well But some of our athletes could not participate due to certain circumstances Earl er in October, Malam Singh our General Captain was awarded an apprecia tion certificate and a cup by the Nawyuwak Mandal Tournament Committee at Nawalgarh for his outstanding performance in the Volley

ball matches there. Another player to be awarded in appreciation certificate was our Foot ball goalkeeper.

But we made up for all these failures by our splendid display in the Inter-institution Golden Jubilee Sports Meet on the old college ground on the 9th Feb 1951, when we carried everything before us to lift the huge handsome trophy awarded by the Birla Education Trust. Mangej Singh, our Sports Captain proved himself to be the most outstanding athlete of Pilani and scored many points for the college. He also won the individual championship. Others to shine were Richpal Singh and Om Parkash Varma.

10 SCHOLARSHIPS, STIPENDS, MEDALS AND CONCESSION IN FEES —There are 20 merit scholarships of Rs 15/- p.m. each available to first divisioners only There are 60 other scholarships for poor and deserving students Rs 14,445/- were spent on scholarships in 1950-51.

Besides the above scholarships about 30 freeships and half freeships are granted during the year.

Each year six gold medals are awarded to students for standing first in the first division from the college at the University Examinations.

Jamnalal Bajaj Gold Medal for standing first in first division from the college at the University B. Com. Examination — Nemichand Kankani.

7. Dr. N. N Godbole, Director of Industries & Commerce, Rajasthan on 'Essential Oils under Indian Conditions" 'Salt Deposits of the Rajasthan"

N. C. C —The "B' Coy of the Ist Rajasthan Bn. N. C. C. has already made a name for itself in the unit for discipline, efficiency and training At the Camp at Naraina during last Christmas, we lifted a number of prizes in the Inter Platoon Competitions

The 4th Platoon won the best Platoon's Cup as also the Sports and General Knowledge Competition Cups The Sixth Platoon won the Inter-Platoon Drill Competition Shield In cleanliness and camp decoration the 5th Platoon scored very heavy marks In the Inter-Competion also the "B" Company did well.

Cadet B. N Bhatia got the cup for the best cadet of the company

College C. T. C.—The C.T C is held twice a week and is conducted by the two Physical Instructors and members of the staff trained by the University

Membership of the C T.C. as distinguished from the official N.C.C. is compulsory for all the boys of the college excepting the post graduate students The corps is being looked after by 4 fully trained officers and is divided into six platoons Boys who have been in the C.T C. for any length of time will be assigned separate platoons from the beginners. Weekly programmes for the different platoons will be drawn up and put on the notice board It is to give some tactical training to the cadets and if possible some practice in firing also But it will be only after a number of parades have been attended by a cadet that he will be permitted to handle the rifle.

12 HOSTEL —The college is practically a residential one, nearly 80% of the students reside in the hostels. Two big hostels each consisting of 144 single-seated rooms have been constructed for the students

Another hostel has been built by Seth Jugal Kishoreji Birla for Rajput students.

The hostels are in charge of a Senior Professor who acts as the Chief Warden He is assisted by Assistant Wardens

13 DISCIPLINE —The discipline of the college continued to be good throughout the session

14 GENERAL —All the staff are provided with quarters and the hostels are provided with modern sanitary fittings The Trust provides also free education to children of the staff

15 THE RAJASTHAN ACADEMY OF SCIENCES —Last year the Rajasthan Academy of Sciences was started Scientists from various parts of Rajasthan have joined the Academy and the first volume of the proceedings is out and the second volume is under print

High School	108	4	26	22	52	54	4 Maths 1 Sans	1 det. 1 died 1 absent

6. FINANCES —The total approximate expenses for the year amounted to Rs. 41,600/- of which Rs. 39,000/- was borne by the Thikana

7. BUILDING (Additions and alterations) —The building was quite adequate for our needs. It was whitewashed and necessary repairs were done by the P.W.D.

8. LIBRARY & READING ROOM —Books worth Rs. 600/- were purchased. We are regularly gettin' dailies weeklies and monthlies in English, Hindi and Urdu and the amount spent is Rs 215/ . About Rs 500/- lapsed for want of proper timely sanction Our collections in History and Civics are quite admirable from the student's point of view. Attempts are being made to get more books and instil in students a love for the sake of pleasure as well as content, There are two well equipped reading rooms where students go for extra study at least twice a week, one for High School and another for Intermediate.

The President remarked.—

"— "I congratulate Mr Singhal whom I know for his great organizing capacity and his colleagues for the splendid manner in which they have secured excellent standards — —'

Shriman Purohit Swaroop Narainji s gold medal was awarded to Kumari Snehleata for topping the list of successful candidates in the Intermediate Examination of 1950 and another to Shri Som Deva for standing first at the High School Examination of 1950. Two medals were awarded to Kumari Pratibha and Kumari Prabha Rawat on the Prize Distribution Function Day by Shriman Rao Raja Sahab.

At the Rajputana Education Exhibition at Jaipur we were suitably represented by about 50 articles, some of our exhibits under Art and History were original

12 HOSTELS —The Kalyan College Hostel is attached to the institution. Besides there are (a) Shri Jat Hostel and (b) Shri Krishna Chhatravas (for Harijans) The average expenses at the Kalyan Hostel come to Rs 25/— p. m without Ghee There is an advisory Committee of seven students who look to the sanitary plantation and other social aspects of the Hostel Life at the Jat Hostel and S K Chhatravas is cheaper We try to see that hostellers lead a simple, regular and painstaking but happy life

13. DISCIPLINE —Acts of indiscipline are getting rarer, very rare now. Our chief means to do it is to keep students occupied as much as possible occupied through out All sorts of wholesome fare is placed before them, though it entails a lot of extra—work for teachers

14 GENERAL —During the Summer Vacations we tried to do our best bit for liquidation of illiteracy, as desired by the Director of Education Inspite of the fact that the institution, at present, has High School and Inter classes, the total number of students has grown up. The opening of new Intermediate colleges, in the vicinity has not affected our Inter classes at all

The life in the college, athletic, social and intellectual, is becoming fuller and better, richer and more regular, and the tutional work too is showing signs of slow but distinct improvement Given better stuff, we could very easily improve both quality and quantity without any appreciable eliminations at the promotion time After a year's regular work though yet poor, we don't believe in detention as a rule

We try to do something new of interest whenewer we invite outsiders. Our oriental dances have become quite an attraction. Our Treasure Hunt on one occasion, checks on providence a second time, an improvised intelligence. Test on another, and a fire accident on still another, proved as entertaining as they were sudden and instructive.

11 GAMES & SPORTS —In the year under report a little more attention to games and sports was paid and though I am not fully satisfied with the progress made yet we have gone ahead in this direction as well. In the Rajputana University Zonal Tournament held at Jodhpur, we were the winners in Hockey and Tennis, but at the Central Tournament held at Alwar we were the runners up. Shri Krishana Gopal Dhabai, B A (Senior Class), stood first at 880 metre race at the Rajputana University Sports held at Alwar Shri Krishna Gopal Dhabai & Amid Ali of this college were selected to play for Rajputana University at the Inter-University Basket ball (North Zone) Tournament which was held at Pilani Shri Krishna Gopal Dhabai was also selected by the University of Rajputana, to represent Inter University sports meet in 880 yards race held at Allahabad

12 NATIONAL CADET CORPS —It was our ardent desire to provide facilities for military training to our students Last year we were successful in starting a company Six of our members of the staff received Officers' Training and were appointed Lieutenants This year our cadets went to the winter camp held at Naraina I am glad to say that our students are taking a great interest in National Cadet Corps and have shown great enthusiasm for military training The number of cadets was 150

13. SOCIAL SERVICE —It has been our conviction that college students must study social problems of India at first hand and render some social service in the neighbouring villages This is a sad commentary in our educational system that Educated young men are totally ingorant of their own coutry and her problems In our own humble way we have tried to do something in this direction as well Our students have established contact with a neighbouring village and have made a thorough study of that village We hope to start Social service work in the said village soon

The other attempt has been made by post graduate students of Economics. They have made a thorough survey of toy making and

basket weaving industries in Udaipur. They have a plan of making a complete Economic Survey of Udaipur

14 HISTORICAL MUSEUM —Mewar has such a glorious past that its very name creates a thrill in the heart of every Indian Ours being the Premier Educational Institution in these parts, it is incumbent upon us to make an effort to preserve the priceless historical material which ing uncared for in every nook and corner of Mewar. With this purpose we have laid the foundation of a historical museum in which we have collected some valuable inscriptions archaeological objects from Chittor, Nagda etc., and a few coins

15 ASSOCIATIONS —The Science Association, and the Associations of Economics, History, Political Science, as also of Commerce and Physics carried their activities well The Hindi Samiti and Bazme adab also functioned well

16 DISTINGUISHED VISITORS —During the year under report we had certain distinguished visitors like Shri Humayun Kabeer, Raj Pramukh of Rajasthan and Dr Tripathi

VIDYA BHAWAN GOVINDRAM SEKSARIA TEACHERS COLLEGE, UDAIPUR.

1. INTRODUCTION —This Teacher's College is a part of Vidya Bhawan and shares the traditions as well as the distinctive features of this pioneering educational effort

2 ENROLMENT —The number of students enrolled this year was 110 as against 50 in the preceding year

3 COURSES OF STUDIES — The syllabus prescribed for the B Ed. examination of the University of Rajputana was generally followed

Besides regular lectures, tutorials were also arranged to enable the students to come into closer contact with the members of the staff. As a result of discussions in the tutorial periods some students wrote original dissertations on the school subjects offered by them for special study

4 SOCIAL SERVICE —After the B Ed Examination the students stayed for a week to attend the social service course which was held from the 26th April to May 2, 1951 A week's camp was organised at Jaisamand for the purpose The course consisted of two parts —

(1) Lectures on Social, Economic, Political and Cultural problems

(2) Practical Social Education work in the neighbouring villages

Besides the Teachers College Staff, Dr G.M Carstairs, a research fellow from U.K., Shri J.C. Kumarappa, President, All India Village Industries Association, Wardha and Shri Somji of Maharana Bhupal College, Udaipur delivered lectures

For practical work the trainees were divided into seven groups They carried on their activities in the neighbouring villages, concentrating specially on Adult Education, Social Service, Study of Folk Life First Aid and *Recreational Programmes.*

While this short course in social service can not be expected to produce any tangible results immediately it is certainly helpful in making the teachers under training vittally conscious of some of our social problems The change from the college campus to a camp amidst natural surroundings also had a healthy effect on the minds of the students The pupil teachers showed keen interest in the course and in the study of the problems of the villagers.

5. EXAMINATION RESULTS —One candidate left the college in the middle of the session on account of prolonged illness Another candidate could not appear at the Theory Examination on account of maternity leave The number of candidates appearing in Practice and Theory was therefore 109 and 108 respectively All the candidates passed in Practice and 105 in Theory.

6 THE COLLEGE INSPECTION —Principal H.B. Malkani, Teachers Training College, Benares Hindu University and Shri R.C Bhargava, Principal Kishori Raman Teachers Training College, Mathura were sent by the University of Rajputana to inspect the college on the 7th February. The college has since then received permanent recognition from the University.

7 UNIVERSITY EXTENSION LECTURES —Shri Narendra Singh of Agricultural College, Jobner, who was deputed by the University of Rajputana for extension lectures at this college delivered a series of two lectures on "The Impact of Atomic Energy on our Civilization."

8 LIBRARY AND READING ROOM —200 new books were purchased during the session The college subscribes to or gets in exchange for Jan Shikshan 57 Educational Journals and 3 Dailies

9. TEACHERS COLLEGE EDUCATION SOCIETY —The Teachers College Education Society was formed last year to stimulate interest among the teachers under training in those social, economic and political problems with which education is closely linked While during the last session as many as six papers were read by the members of the Teachers College staff, this year on account of greater pressure of work the enrolment having more than doubled, only two papers could be read, one on "The Challenge of Communism to Democratic Education" and the other on "The Cultural contribution of Progressive Literature "

10 PHYSICAL EDUCATION & HEALTH —The College Doctor conducted the medical examination of the candidates prior to their admission and the physical Director maintained their health record afterwards. The students maintained good health during the year under review There were no cases of serious illness. Physical training and games formed regular features of the life of the students In addition to regular team games such as Hockey, Football, Volleyball, Basketball, the college organised a Volleyball Tournament and a Sports Meet to give the pupil teachers training in the organisation of games and sports

11 PSYCHOLOGICAL LABORATRY —(i) A study of the adjustment problems of pupil teachers was made A report of this study was publish ed in *"The Indian Journal of Psychology and Education,"* Baroda

(ii) A verbal Intelligence Test for adults was prepared and applied to 100 cases

(iii) Demonstrations of Psychological Tests were organised at the Educational Mela on August 15, 1951 at Vidya Bhawan and at the Educational Exhibition at Jaipur.

12 SCHOLARSHIPS & MEDALS —The college spends Rs 360/ a year on two scholarships of Rs 18/- per month which are awarded for general proficiency to deserving candidates These were awarded to Shri Raghubir Sahai of Kotah and Shri Janardan Dave of Jodhpur during the session. The Seksaria Trust, Indore, awarded a Gold Medal to Shri Niaz Ahmed for standing first in order of merit at the B Ed Examination of the University of Rajputana in 1950.

13 UNION ACTIVITIES —In order to establish a closer contact between the students and the staff and to improve the social and cultural programmes of the college, students were divided into different societies according to the subjects they offered for specialization. The society leaders, elected by various Societies, and the President of the Union, elected by the General House, formed the Executive Committee. The Societies were made responsible for organising social, cultural and literary activities for the benefit of their members This departure for the usual practice of preeceeding years proved beneficial to the students appreciated it very much

One activity of the College Union which needs special mention was the organisation of an "Educational Mela on the 15th August, to celebrate the Independence Day The Teachers College Union had a variety of programmes They ran a restaurant in which every item of service, from the pitching of the tents and cooking to the serving and cleaning of dishes and cups was done by the students themselves The shops and stalls were also run by them with great enthusiasm The people of Udaipur came in large numbers to paticipate in the cultural and recreational programmes The Mela gave the students opportunities to serve their community and at the same to develop initiative and leadership

14. HOSTELS —The college has no hostel buildings of its own, and therefore the students were accommodated in rented bungalows, one of which was reserved for lady students

Excellent discipline was maintained both in the college and in the hostels The personal contact of the college staff with the students was mainly responsible for the absence of any problem of indiscipline during the session

15 ACTIVITIES OF THE STAFF — Dr. Shrimali was awarded the UNESCO fellowship offered to India He was away from India for six months during this period he visited the United States, U K., France, Switzerland, Holland and studied the programmes of International education and teaching about the U N in these countries Shri K N Srivastava officiated as principal in his absence

At the close of the session the University of Rajputana formed the Faculty of Education with Dr K. L Shrimali as its Dean

The Rajasthan Scout Association decided to hold the Scout Rally at Udaipur in November 1950 Dr Shrimali was to work as the Secretary of the Rally, but as he had to go abroad, Shri Kedar Nath Srivastava, Officiating Principal Teachers' College and Shri K L Bordia, Headmaster, Vidya Bhawan High School helped in organising the Rajasthan Rally which was attended by nearly 5,000 Scouts The staff and the students of all the institutions of Vidya Bhawan Society gave their full co operation in making the Rally successful
